

**Help us help you
make a difference.**

Millions of children are in desperate need. They are hungry, cold and have no access to clean water, lack proper medical care or a comfortable place to lay their heads at night. Many of us want to help, but simply don't know how to get involved.

We help ordinary people match their unique interests and skills to actual world need. Volunteers hand deliver aid and contribute to development projects around the world.

With over 4,000 volunteers, we have delivered aid to 44 countries, giving hope to those who do not have many of the privileges and every day conveniences you and I may take for granted.

Airline Ambassadors began in 1996 with a small group of airline personnel using their travel benefits to with to help children. We have grown to include members of all professions who offer their time as **Ambassadors of Goodwill** helping children in our home communities and abroad.

Mission

Airline Ambassadors provide humanitarian aid to children and families in need as well as international relief and development to underprivileged communities worldwide.

Our Vision

To amplify the avenues of kindness and compassion through travel, and bring long term benefit to children and families in the developing world. By providing opportunities for travelers to be a living link between resource and need, we increase sharing, understanding and goodwill between peoples and cultures. Our goal is to substantively improve the lives of those in need and to provide opportunities for ordinary people to be of extraordinary service to one another.

Join us on a Journey of the Heart!

Airline Ambassadors provides an opportunity for you to be a living link between resource and need...to personally touch a life. Whether you choose to escort a child in need of medical care for our **Escort Program**, hand deliver aid as part of our **Humanitarian Missions Program**, involve your children in the **Youth Program**, or participate at a charitable function via our **Special Events Program**, we invite you to get involved and experience the joy of bringing **Compassion into Action**.

Poverty – Hunger – Child Welfare

Our teams may provide food and clothing for orphans in Kenya, support a nutrition project in Argentina or vocational training in Thailand; giving young people the tools to break the cycle of poverty. You may help provide soccer balls for a sports program in Brazil, or brighten the lives of handicapped children with some light-hearted "clowning".

Health - Education - HIV AIDS

You may escort a child to the US for life saving medical care, deliver wheelchairs as part of a medical team in India, provide school supplies to a Native American reservation in the US or an indigenous Mayan community in Guatemala. You may choose to help prevent HIV-AIDS by teaching our health and hygiene curriculum in Botswana.

Disaster Relief – Community Development

Through Airline Ambassadors you will have a vehicle to take action in the event of a natural or man-made disaster...to meet immediate need and ease human suffering. You may help to build long term sustainability for local communities by helping build a medical clinic in El Salvador, or consulting on building codes with local municipalities in Ecuador via our *Casa Corps Program*.

If you have questions about *Airline Ambassadors* or the programs and services offered, call 866.ANGEL-86 and talk to a membership representative today. Thank you for bringing "Compassion into Action."
