Airline Ambassadors
International Compassion Ball

| *The Event* |

*P*lease join us at an elegant evening at the United Nations for a celebration of companies and individuals who are bringing Compassion into Action. Enjoy a lovely evening of food, art, entertainment and dancing and celebrate those who are increasing sharing, goodwill and understanding on the precious planet we call our home.

Your contribution will make a direct and immediate global impact. Come to our Gala and support our hands on development work assisting orphans, children and families in the areas of poverty and hunger, education, health, child welfare and community development.

| *Beneficiaries* |

One Hundred percent of monies raised will go to support our direct action humanitarian projects on five continents. Airline Ambassador volunteer teams will personally deliver donations on missions to each of the projects following our event. You can contribute to one or all of the projects described.

Many organizations give humanitarian assistance but Airline Ambassadors uniquely provides a way for you to participate directly as a living link between resource and need, delivering aid, education and services to children and families around the globe. Please join us on a mission to visit communities your generosity helps to impact!

| *Sponsorship and Underwriting* |

Our 2007 goal is to obtain underwriting for all major expenses for the International Compassion Ball. Sponsors donations are tax deductible to the full extent of the law and will receive recognition in the event program and materials.

Our communications offer corporate and individual sponsors exposure to a large and affluent sector of the international market. You will receive recognition on our website for one year, on our invitation, Gala Journal, website and other media. When you support the International Compassion Ball as a sponsor or underwriter you play a vital role in community development projects impacting thousands of families.

Compassion

Your company or organization can sponsor one of the projects below or contribute to each of them. Airline Ambassadors in union with all those individuals that will benefit from your compassion and generosity extend a heartfelt “Thank You” for your contribution.

Hunger and Poverty - United States

Your contribution will provide nutritional support and a computer training program to benefit Native Americans of the tribe who have fallen through the cracks of government benefits.

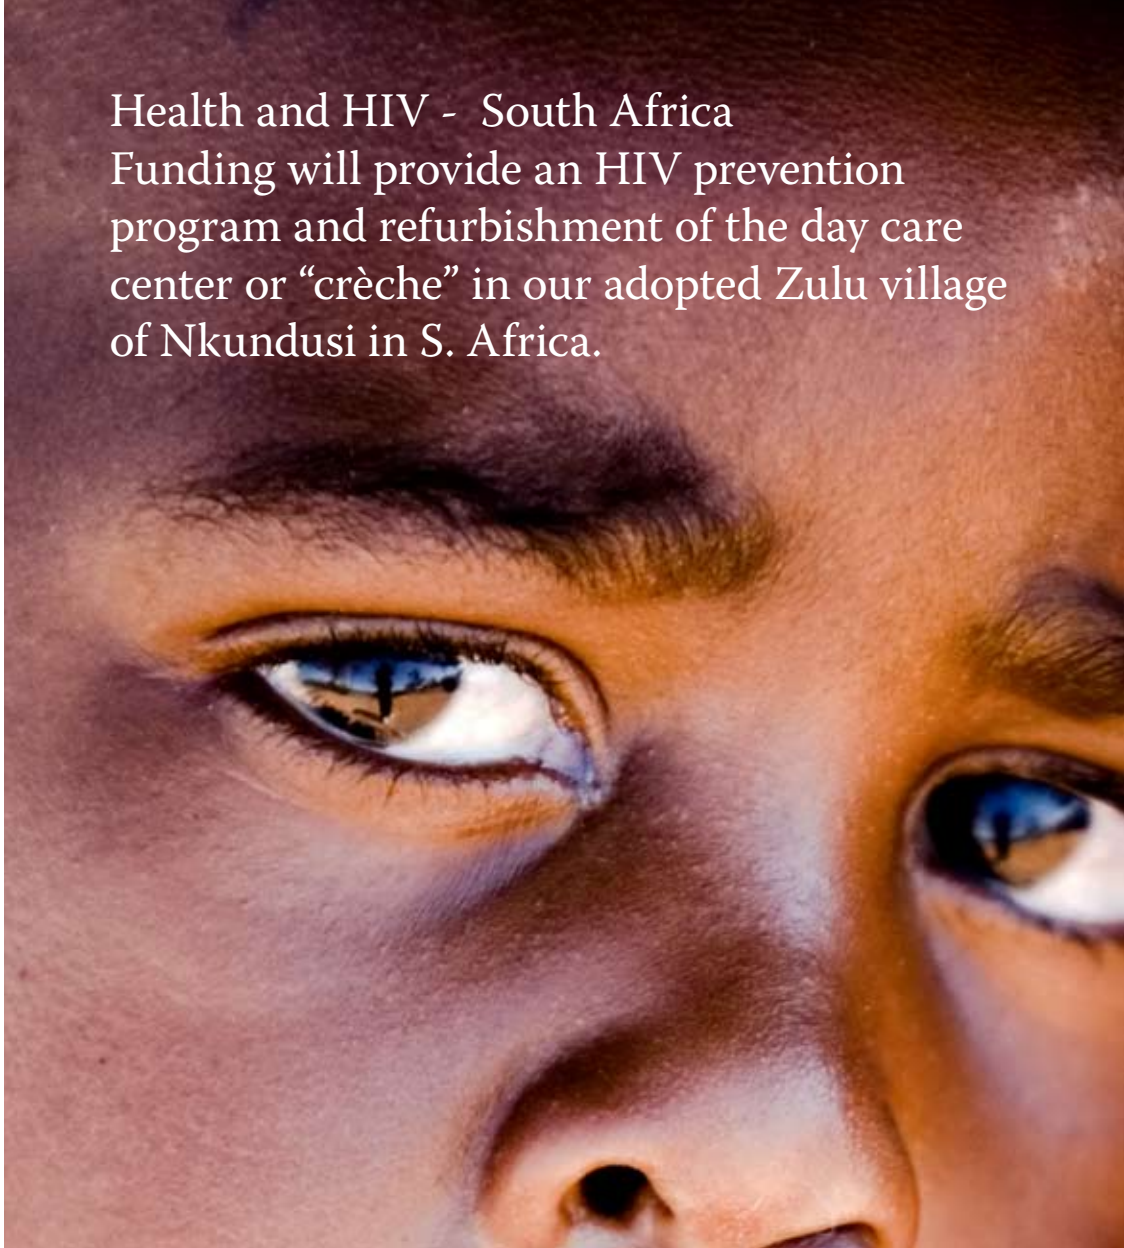

Education - India

Your donation will provide a school in the village of Manjaharia, India, where this will be the first educational facility available, benefiting 500 families.

Health and HIV - South Africa
Funding will provide an HIV prevention program and refurbishment of the day care center or “crèche” in our adopted Zulu village of Nkundusi in S. Africa.

Community Development - El Salvador

Your generosity will provide a new community center and vocational training program in carpentry and sewing for 150 families in our adopted village in Soyapongo, El Salvador.

Child Welfare and Literacy - Nepal

Your gift will assist in our establishment of a radio station and library providing vital communications for health, agriculture and child welfare to 75,000 families.
