

Airline Ambassadors' News Haiti Volunteer Requirements

For volunteers, plane fare and ground transportation are provided at no charge. The following list encompasses requirements for volunteers.

- Concrete pool epoxy for cracks (for our concrete cisterns).
- Crutches and wheelchairs.
- Each person bring a bath towel.
- 5 Big bottles of shampoo.
- Many boxes of soap.
- Every person must stay 7 days.
- We have many expenses with keeping a person in the field. Transportation, housing, et al. Please plan on making a donation of \$35/day - fuel, water, internet, electricity, security everything is more expensive here. Given that many people want to volunteer, we need to sustain each mission.

Haiti, January 2010

Airline Ambassadors

Haiti, January 2010

- Deet AND citronella. Needed immediately. Every night our teams get eaten.
- Scissors, presently, you are allowed to bring them onto the aircraft.
- As a partner of Airline Ambassadors, you will be met when leaving the plane. Partnership is vital in this setting as you will be given direction upon your arrival.
- Our team will need 2 quality secretary volunteers soon.
- 2 Laser printers.
- Printer paper.
- AAI t shirts and hats will be required for neighborhood safety and as an "airport security pass".
- Esprit de corps among our teams, and during meetings with other cluster groups.
