INTERNATIONAL

Dear Friend of Airline Ambassadors,

Saturday November 13th, 2010 will be an amazing night for us! We will celebrate our hard work in Haiti, with a Bon Voyage Party for our Cruise4Haiti. This event will be a culmination of our national campaign to raise awareness, beginning September 11th at Haitian Art gallery, Galerie Lakaye in Los Angeles, and continuing through the Royal Caribbean Cruise4Haiti November 14th-21. Join us for the opportunity to enjoy dinner, cocktails, music a view and the sea breeze at the Bleu Moon Restaurant, Doubletree Hotel Biscayne Bay, overlooking the beautiful Miami harbor.

Airline Ambassadors International (AAI) supports sustainable community projects all over the world. We coordinated our first orphanage party in Haiti in 1996 and have sent humanitarian teams there each year. We responded immediately after the January 12th earthquake transporting 3M pounds of critically needed food, water and medical supplies and 600 medical personnel providing care and food security for thousands. We built two safe houses for children in danger of being trafficked and are developing two communities to provide housing, education, health care and vocational training for families displaced by the earthquake. We have started a community clinic, orphan sponsorship program, built a water filtration system and virtual classroom in Mirebalais, and brought regular support to a music school, athletic and education programs in Port-au-Prince.

We are so grateful to our supporters who have made these miracles possible. Each month we provide opportunities for donors to visit our projects and see the direct impact their generosity makes. However, there is still so much need. Our goal is to raise \$50,000 through these events in order to continue to support our substantive adopted projects. His Excellency Ralph Latortue, Consul General of Haiti, will join us at the Bon Voyage party, as well other very special guests.

As a Cruise4Haiti Sponsor, we ask that you support this effort at the highest level possible. If you are unable to be with us in Los Angeles September 11th or Miami on November 13th, you can still choose to send a contribution and be included as a Cruise4Haiti Sponsor.

I sincerely hope that you will support Airline Ambassadors and our Cruise4Haiti. Your support will make all the difference as we work together to change the world, one project at a time.

Thank you again for this support and for bringing your compassion into action.

In shared dedication,
